

The Burlington Track & Field Club is looking for a dedicated and qualified Head Coach to run our Senior Sprint program.

This is a fantastic opportunity for a Coach who has a passion for sprint distances, training program and athlete development, as well as overall athlete and club success. As a not-for-profit organization we do cover all Coaching & travel expenses as well as an honorarium at year end.

The training facilities are mainly in Burlington, including Nelson High School (primary outdoor location), and indoor facility options (school, community centre gymnasium). We also have an incredible cross/strength training option with a local performance training partner in Burlington. Coaching assignment could include coaching at 2 or 3 practices per week plus competitions.

Coaches must be willing to be registered, trained, and certified with Athletics Ontario.

All Burlington Track & Field Club Head Coaching positions require some degree of coaching experience, competence, specialization and NCCP certification.

Please submit a resume and/or coaching bio via email, to: president@burlingtontrackandfield.org
